2023-2024 ACADEMIC CALENDAR

REVISED 02 16 24

The calendar is subject to change and ISMMS reserves the right to reschedule classes during the academic year as special situations warrant.

NB: ISMMS, drawing on and respecting all traditions, is a secular institution. Our student body is comprised of individuals from diverse backgrounds and religious beliefs. We are sensitive to commitments to all religious observances, but do not build our yearly academic calendar around them. Students should adhere to the excused absence policy as outlined in the student handbook
