

Institutional Biosafety Committee
April 14, 2005
Minutes

Present: Drs. J. Wetmur, D. Calfee, R. Wieder; Mr. P. Hauck; Mss. S. Strauss, L. Egan (via telephone), K. Sadock

- 1) Upon motion duly made and seconded, the minutes of the January 10, 2005 meeting were approved
- 2) Upon motion duly made and seconded, the minutes of the February 28, 2005 ad hoc meeting were approved
- 3) **Plasmid/BAC Vectors** (list of 99 projects attached).
 - These agents are not infectious and may be handled at BSL 1. Mr. Hauck recommended that all projects on the list be accepted at BSL 1
 - Dr. Wetmur explained that these non-infectious vectors must be reported to the committee but need not be reviewed. [Biosafety officer's review is sufficient due to Exempt nature of the vectors]**
 - The committee moved, seconded and approved BSL 1 for these vectors.
- 4) Certificates of Registration for projects involving recombinant DNA were approved
