

# ***The World Trade Center Worker and Volunteer Medical Screening Program***

## **. ATTENTION: WTC Workers and Volunteers**

If you were a worker or volunteer at or near the **World Trade Center site** or the **Staten Island Landfill** following the September 11 terrorist attacks and you were involved in:

- *Rescue*
- *Recovery*
- *Cleanup*
- *Restoration of Essential Services*
- *Debris Removal or Sifting*

You may be eligible for this federally funded program, which will be conducted by a consortium of occupational medicine providers, under the direction of The Mount Sinai Center for Occupational & Environmental Medicine in partnership with the Centers for Disease Control and Prevention/National Institute for Occupational Safety & Health.

### ***The World Trade Center Worker and Volunteer Medical Screening Program will offer:***

- ***FREE and CONFIDENTIAL Medical Screening Examinations***
- *Referrals for Follow-up Medical Care*
- *Occupational Health Education*

**Call the toll-free WTC Medical Screening Hotline today  
for more information and to register:**

***1-888-702-0630***

***[www.WTCexams.org](http://www.WTCexams.org)***

*Federal funding for this program will support 7,500 medical screening examinations to begin July 15 in the Greater NY-NJ metropolitan area—with 1,000 additional screening examinations offered elsewhere in the US through the Association of Occupational & Environmental Clinics.*

*New York/New Jersey participating partners and examination locations will include:*

***Manhattan:*** Mount Sinai Center for Occupational & Environmental Medicine  
Bellevue/NYU Occupational & Environmental Medicine Clinic

***Queens:*** Queens College Center for the Biology of Natural Systems

***Long Island:*** SUNY Stony Brook/L.I. Occupational & Environ. Health Center with various examination sites in Nassau and Suffolk Counties

***Westchester (Yonkers):*** Mount Sinai Center for Occupational & Environmental Medicine / Hudson Valley Division at St. John's Riverside Hospital

***New Jersey (Piscataway):*** UMDNJ Environmental & Occupational Health Sciences Institute
