

Matthew Carr, MD

Neurosurgery Resident, Class of 2027
Department of Neurosurgery
Icahn School of Medicine at Mount Sinai

Clinical and Academic Interest in Spine Surgery, Neuro-Oncology, and Neurotrauma

What made me choose Mount Sinai...

I chose to do my sub-internship at Mount Sinai because I heard the culture was friendly and the clinical training was excellent. I also wanted to see how I would handle living in New York City. I loved the program once I experienced it. I felt that I fit in well with the residents and could tell Mount Sinai would be a supportive training environment that would cater to my strengths. The opportunity to live in a beautiful part of one of the best cities in the world was an added bonus. With dedicated neurosurgery APPs/PRFs help on the floor, I can focus more on education and procedural experience.

Undergrad

University of Maryland
Physiology, Neurobiology, Psychology

Medical Degree

Virginia Commonwealth University
School of Medicine

Recognition and Awards

- Alpha Omega Alpha
- Dean's Award for Academic Achievement
Virginia Commonwealth University
School of Medicine

Neurosurgical Cases: 330

Clinical and Academic Interests

- Spine
- Minimally Invasive Surgery
- Neurotrauma
- Neuro-Oncology

A Systematic Review of Perioperative Seizure Prophylaxis During Brain Tumor Resection: The Case for a Multicenter Randomized Clinical Trial

Neurosurgical Focus

Comparison of ABC/2 Estimation and a Volumetric Computerized Method for Measurement of Meningiomas Using Magnetic Resonance Imaging

Journal of Neuro-Oncology

Hometown

Silver Spring
Maryland

Current Location

Upper West Side
New York City

Languages

English

General Interests

- Golf
- TV
- Reading
- Squash

Favorite Activity

- Love to sleep
- Golfing at various golf courses
- Meeting up with friends and family

Favorite Things in New York

- Running in Central Park
- Exploring new restaurants
- Window shopping on Madison Ave

Voted by Fellow Residents

Most Likely to Herniate a Disc While
Stooping Down to Operate
Good thing I know spine surgeons!

Future Goal

To hold an academic neurosurgery position in the Northeast

Guilty Pleasure

Trashy reality TV shows

Favorite Bagel Location

H&H Bagels

Favorite Animal

Dogs, specifically pugs!

Favorite Music

Alternative Rock

Favorite Book

The Count of Monte Cristo

Favorite Movie

The Shawshank Redemption

Favorite Show

Breaking Bad

Favorite Sports Team

Washington Nationals
