PURPOSE AND SCOPE:

This policy outlines how grades appear on a student's official transcript.

TRANSCRIPTS:

- Official transcripts of courses taken at the Icahn School of Medicine at Mount Sinai toward fulfillment of the MD degree requirements will identify a grade for each course or clerkship as described above.
- Written narrative evaluations are not part of the transcript and will not be duplicated or mailed with transcripts; however, all clinical narratives for clinical courses and clerkships completed by the end of Year 3 are included in the MSPE.
