Training

New users to the facility have to attend training sessions to get familiar with the equipment, cleaning procedures and data management. This allows for use of the equipment without assistance or during off hours.

Use of Workstation

PLEASE NOTE: Minimum fee of 1/2 hour is charged for the use of the FACScan and FACScalibur. Sign up time is charged whether or not it is used unless a replacement user is found. Users who cancel an appointment less than 24 hours in advance are subject to the full charge of the scheduled time.

CANCELLATION POLICY: A fee of 50% of the scheduled time is charged for cancellations between 24 and 72 hours prior to the scheduled time. A fee of 100% is charged when the cancellation occurs less than 24 hours of the scheduled time.

PLEASE REMEMBER: For funding purposes, it is important to acknowledge the Flow Cytometry Shared Resource Facility in all publications which include data derived from the facility. Thank you.

Prices for services are available to computers on Mount Sinai networks only. For information about fees, please contact the Shared Resource Facility.

Location of Equipment: Icahn Medical Institute (East Building), 13th Floor, Room 13-05
