Sponsor:

I recognize that submitting this grant without IRB and/or IACUC paperwork poses a risk for loss of funding for this project. If I receive a notice of award that does not afford sufficient time to obtain IRB and/or IACUC approval and I therefore cannot accept the grant, I will take all responsibility. I acknowledge that GCO, IRB or IACUC are not to be held accountable for the loss.

I also understand that IRB and/or IACUC review will take place according to the standard deadlines. I will not ask the IRB and/or IACUC to make an exception to accommodate the need for an immediate approval.
